ORDER REGARDING  
COMMUNICATIONS  
WITH THE COURT

MARY KAY VYSKOCIL, United States District Judge:

The Court has received several letters that Plaintiff mailed directly to the Court. Because information in the letters appeared to be directed at Plaintiff's counsel, the Court sent copies of his letters to his counsel via email, explained that the Court intended to docket the letters for the completeness of the record in this case, and inquired whether counsel would seek leave to seal or redact the letters. The Court also urged Plaintiff's counsel to be in touch with Plaintiff. In an email to Chambers, Plaintiff's counsel stated that they did not object to filing the letters on the public docket. They also assured the Court that they would be in touch with Plaintiff and would remind him not to communicate directly with the Court. Nevertheless, Plaintiff sent the Court yet another letter.

The Court is enclosing with this Order each of the letters it has received from Plaintiff to date for docketing. The Court reminds Plaintiff that, because the Court granted Plaintiff's request to *pro bono* trial counsel [ECF #126], Plaintiff is now represented by counsel and must not communicate directly with the Court. Moreover, IT IS HEREBY ORDERED that the parties, including Plaintiff personally, shall appear for a pretrial conference on April 9, 2021 at 11:30 AM. The conference will be held by telephone. To join, dial 888-278-0296. When prompted, enter Access Code 5195844. IT IS FURTHER ORDERED that the Warden or other

officer in charge shall make Plaintiff available to participate in the telephone conference.

Plaintiff's counsel shall serve a copy of this Order on the Warden and arrange his appearance at the scheduled time.

**SO ORDERED.**
